Iteam #6 - Fundraising	Dan has to fill out a fundraising report in the next month. Would love some ideas/recommendations - would prefer a short list and will take them to family community. Jessica will organize an informal Facebook group to discuss possible fundraising ideas and present them to Dan. Dan stressed the need to have a purpose/specific reason to fundraise before coming to families with fundraising requests. Dan will reach out to the student body for fundraising ideas that they would be excited about. A couple ideas thrown out tonight were an online auction or River Valley Tube slide passes	Dan Gracey Jessica Damen Sarah Forbes
Item #7 - Misc.	Outdoor Carnival or winter play day? Would need to start planning now for Jan/Feb. Could have Tim Horton's hot choc or Dave's Food Truck and some outdoor games. Dan will look into this Modified Christmas Concert? Can classes be filmed singing a Christmas carol and uploaded to Youtube or a link sent for parents to view. Dan will discuss with staff. Can school apply for outdoor grant? Can we plan a day for school to go to River Valley Tube Slide? Dan will talk with staff and look into the possibility of this/logistics	Jessica Damen Dan Gracey
