Together on the Journey: Encounter, **Accompany**, Transform

Loving Jesus,

as we continue to walk together on this sacred journey, grant us the grace to accompany our neighbours as you accompanied your disciples on the road to Emmaus.

Your presence was patient, respectful and loving. Your presence soothed their fears and anxiety. Your presence strengthened them and vanished their doubts. Your presence connected them to their history and purpose in life.

Your presence gave them the vision to invite You in, and to recognize that You have been walking with them all along. Guide us to use your example of accompaniment to walk with others for in doing so we are Your presence in the world.

May we never abandon anyone by the roadside.
May we always remember that You're walking with us side by side.
May we always share our bread with those in need.

Amen

What is Orange Shirt Day?

On Orange Shirt Day, we recognize the 150,000 Indigenous children who endured the residential schooling system, and its trauma that continue to be felt to this day.

We encourage all of you to research more about this history and read Phyllis Webstad's book. Information can easily be found at orangeshirtday.net

Literacy Goal:

Develop increased phonological awareness in early readers.

What is Phonological Awareness?

Phonological awareness is the ability to recognize and manipulate the spoken parts of sentences and words. Examples include being able to identify words that rhyme, recognizing alliteration, segmenting a sentence into words, identifying the syllables in a word, and blending and segmenting onset-rimes. The most sophisticated — and last to develop — is called phonemic awareness.

Financial Update

Treasury/Financials Report

\$4280.47 in Parent Council

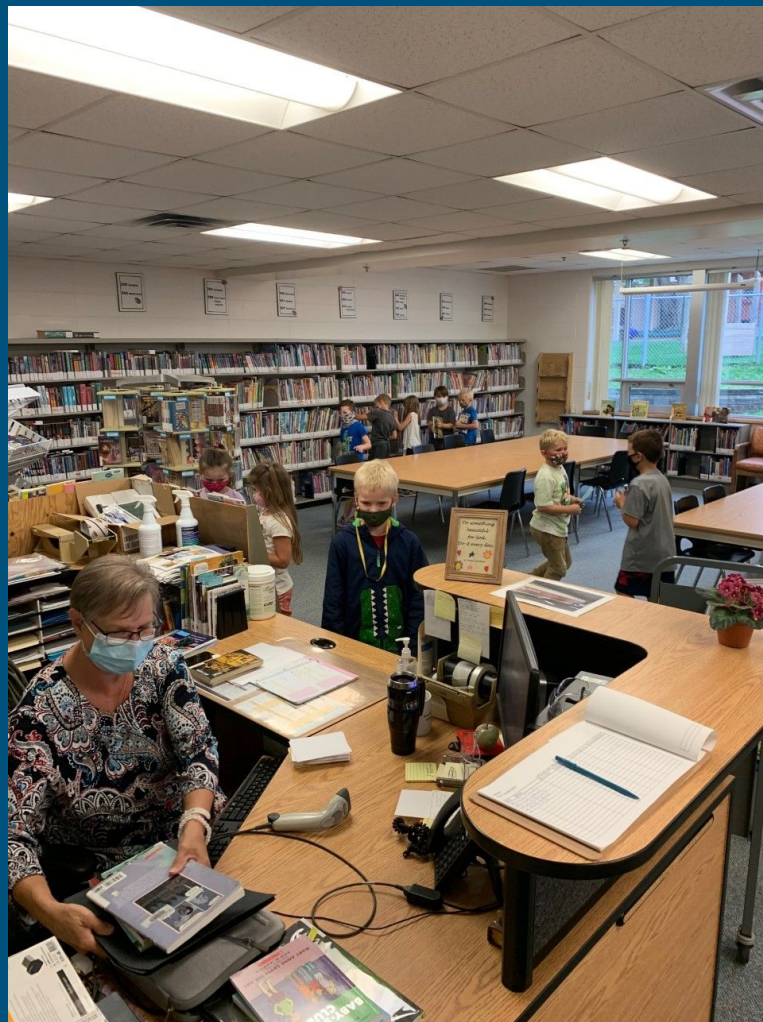

A significant amount has been donated to the school for the purpose of outdoor education by a private donor who is a member of the town. There is \$2000 approx. left that we can use towards outdoor education. Dan will get clarification on what we can use this for.

Possibly meant to be used towards the outdoor learning space. The donors loved the idea of use of the yard for outdoor learning when he last spoke to them.

Council motioned (Jessica D and Shawn T) to use council funds to provide a maximum of \$200 for each classroom at the teacher's discretion.
